

SPECIAL MATERIALS HEATER VA 100

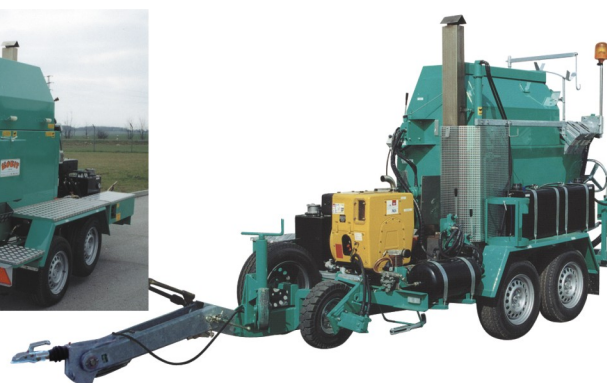

Volume	100 l
Heating (indirect)	propane-butane / diesel burner
Temperature control	automatic burner regulation
Insulation	60 mm
Output	gravitational
Mixing	manual

SPECIAL MATERIALS HEATER VA 150 - 250

Volume	150 - 250 l
Auxiliary engine	HATZ
Pump	gear type
Heating (indirect)	propane-butane / diesel burner
Temperature control	automatic burner regulation
Insulation	60 mm
Pressure control	manual
Operating modes	mixing
	pressure spraying
	circulation
Compressor, hydr. travel	special equipment

SPECIAL MATERIALS HEATER VA 300 - 500

Volume	300 - 500 l
Auxiliary engine	HATZ
Pump	gear type
Heating (indirect)	propane-butane / diesel burner
Temperature control	automatic burner regulation
Insulation	60 mm
Pressure control	manual
Operating modes	mixing
	pressure spraying
	circulation
Compressor, hydr. travel	special equipment

SPECIAL MATERIALS HEATER VA special

Volume	100 - 200 l
Auxiliary engine	HATZ
Heating (indirect)	propane-butane / diesel burner
Temperature control	automatic burner regulation
Insulation	80 mm
Output	gravitational
Compressor, hydr. travel	special equipment
