

STREET WASHING TANKER TRUCK MOUNTED UNIT MK 3

3.400/5.JNK

Water tank capacity	3 000 l
Pump capacity	250 - 400 l / min, 8 - 12 bar
System drive	hydraulic
Equipment	fixed front washing bar, road shoulder washing
Accessories	15 m of 3/4" hose
Superstructure execution	demountable systems

STREET WASHING TANKER TRUCK MOUNTED UNIT MK 3

JET3.132/110.JNK

Water tank capacity	3 000 l
Pump capacity	132 l / min, max.110 bar
System drive	hydraulic
Equipment	hydraulic reel drive, electronic speed control
Accessories	60 m of 3/4" hose
Superstructure execution	demountable systems

STREET WASHING TANKER TRUCK MOUNTED UNIT MK 6

6.330/200

Water tank capacity	6 000 l
Pump capacity	330 l / min, 0 - 20 bar
System drive	hydraulic
Equipment	washing bar, front bar, fogging flatt nozzles, edge nozzles mechanic reel drive
Accessories	20 m of 3/4" hose, brush
Superstructure execution	demountable systems

STREET WASHING TANKER TRUCK MOUNTED UNIT MK 7

7.800/7.FOR

Water tank capacity	7 000 l
Pump capacity	800 l / min, max.8 bar
System drive	hydraulic
Equipment	washing bar mechanic reel drive
Accessories	20 m of 3/4" hose
Superstructure execution	demountable systems

STREET WASHING TANKER TRUCK MOUNTED UNIT MK 7

7.250/50

Water tank capacity	7 000 l
Pump capacity	250 l / min, max.50 bar
System drive	hydraulic
Equipment	hydraulic adjust. washing bar side nozzles barrier nozzles
Accessories	15 m of 3/4" hose
Superstructure execution	dismountable systems

STREET WASHING TANKER TRUCK MOUNTED UNIT MK 8

8.250/50. Drinking water

Water tank capacity	8 000 l
Pump capacity	250 l / min, max.50 bar
System drive	mechanic and pneumatic
Equipment	pneumatic adjustable washing bar flushing nozzles rear mounted dispensing unit
Accessories	tank heating
Superstructure execution	fixed, stainless steel

STREET WASHING TANKER TRUCK MOUNTED UNIT MK 9

420/20

Water tank capacity	9 000 l
Pump capacity	360 - 420 l / min, 15 - 25 bar
System drive	mechanic and pneumatic
Equipment	pneumatic adjustable washing bar flushing nozzles rear mounted dispensing unit
Accessories	tank heating hose 15 m, 3/4"
Superstructure execution	fixed, stainless steel

STREET WASHING TANKER TRUCK MOUNTED UNIT MK 10

10.163/90

Water tank capacity	10 000 l
Pump capacity	163 l / min, max.90 bar
System drive	hydraulic
Equipment	hydraulic adjusted telescopic washing bar side cutting nozzles hydraulic reel drive
Accessories	40 m of 3/4" hose
Superstructure execution	dismountable - JNK system
